

Recycling...

I can even do it while I'm on vacation !

The Métropole Nice Côte d'Azur is delighted to welcome you for your stay. To help preserve the region's quality of life and environment, here are few simple points to remember regarding waste disposal.

Household waste

Waste must be put in the bin intended for this purpose (private or on the public highway).

Recyclable packaging

Recyclable packaging must be emptied, without being rinsed, and put in the yellow bin intended for this purpose (private or on the public highway).

Plastic bottles

Milk cartons and cardboard packaging

Tins, cans, aerosol and flavored syrup containers

⚠ Don't put glass or newspapers in the yellow top bins !
If you're not sure, use the regular trash bin.

Paper

Paper must be disposed of in the blue bins located throughout the street. Please remove the plastic wrapping.

Newspapers and magazines

Flyers, leaflets and catalogues

Envelopes, letters, printed materials

Glass

Glass must be emptied, unwashed, without the cap and disposed of in the green bins located throughout the street.

Jars

Bottles
